

Local Arts Agency Summit

Mountain West Arts Conference
2014

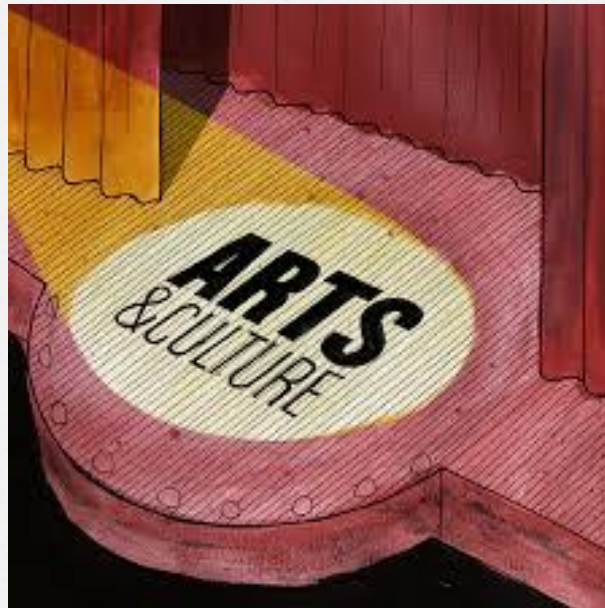

Utah Division of **Arts & Museums**

The Utah Division of Arts & Museums supports local arts agencies statewide and provides a menu of qualifications that assist in identifying a group as a local arts agency.

Grant applicants in the Local Arts Agency category must be able to check off at least three of the qualifications.

Promotion, public access, diversity in art forms

Cultural diversity, folk and traditional arts

Grants and other financial support for arts groups

Community-based cultural assessment and planning

Curation and management of community art collections

Producing and presenting public programming

Focus on economic development and support for the creative economy

Management and operation of cultural facilities

Arts advocacy efforts

Technical assistance and other services for artists and arts groups

GOVERNANCE AND OPERATIONS

- Are you satisfied with your budget management system?
- Do you have a clearly spelled out process for recruiting board members?
- Do you think your team communicates with each other in a clear and timely fashion?

ARTS EDUCATION

- Does your arts council have a good relationship with the education system?
- Is this an area of interest for your arts council?
- Is your arts council familiar with arts ed resources?

COMMUNITY ENGAGEMENT

- Would an average resident in your community know that your arts council exists?
- Does your arts council have a 'seat at the table' when community issues are discussed?
- Does your arts council have a good working relationship with local artists and arts groups?
